*Dinner*

*The Quaranta family and staff thank you for considering The "Mama Q" Room for your special occasion. This room was built in the memory of the late Jo Anne Quaranta, who along with her husband, Ron Sr., began this dream years ago.*

*To many, she was known as the beloved "Mama Q" and, to this day, her memory lives on in every ounce of our homemade tomato sauce, which she prepared daily.*

*We have taken great pride in selecting fine china, silverware, décor and menu items, all of which would have been in the style of Mama Q.*

*You can be assured that every detail of your special occasion will be fulfilled by our capable staff, who have learned to treat each guest like family, just as Mama Q did.*
